PUBLISHED EVERY SUNDAY.

ENTERED IN THE POST OFFICE AT TOMBSTONE, ARIZONA, MAY 10, 1895.

From Friday's Daily.

B. A. Packard returned today from Los Angeles, where he has been on a ten days' jaunt.

Dr. Wright and wife have returned to Benson, after an absence of two months in Phoenix.

Alvan Howe of the PROSPECTOR force is confined to his bed with an attack of biliousness.

A large, commodious hotel is talked of by S. C. BAY company.

Mr. G. W. Cheyney and Mr. Sam Cheyney went south this morning on the way to Oro Blanco.

W. G. Stewart (Micky) is dangerously ill at Phoenix. It is very doubtful if he can ever recover.

The Tucson police have a clue which may lead to the apprehension of the murderers of the Doll family.

A. H. Emanuel left today for Flagstaff to attend the district lodge I. O. O. F. which convenes there next week.

Tom Fitch and wife have gone to Europe on a health seeking trip. Phoenix climate is getting jealous in consequence.

Some encouraging looking rock is being taken from the shaft on Fremont street, and those interested wear smiling faces.

The weather today was simply awful. It was next to impossible for a young man to go west against the wind and dirt which it carried with it.

The San Simon Cattle Co. was prevented from shipping a trainload of steers last Friday by the dust storm which raged in the San Simon valley.

Tom Sorin is in town. He has visited the Piecemeal mine, and reports it the biggest thing ever uncovered in this county, and he has seen them all.

Andy Smith is shipping rosebuds from his garden in Tombstone to the east, just to show his friends there what we can do in that line in Arizona.

Gen. Kelley, who led the "on to Washington" movement from California last year is no longer an industrial. He has gone to work at his trade, that of job printing. Kelley is said to be an artist in his line and can always obtain work.

Chas. R. Wores purchased a carload of ore yesterday, and shipped it this evening. It was furnished by chlorides in the vicinity of Last Chance.

Do not fail to hear the original lecture by Ed Monk on Monday night at the Methodist church. Half of the proceeds will go to the Tombstone school fund.

Prescott hotels are full and running over. One of the leading hotels of the place, Monday, was compelled to turn away fifteen people who could not be accommodated.

Articles of incorporation of the Sixth Avenue Hotel Co. were filed yesterday by Nellie V. and Katherine B. Walsh, present proprietresses of the Sixth Avenue—Republican.

The old Silver King mine north of Florence is bound to have another boom. Another bonanza has been uncovered, and another rush in that direction may be expected.

## STOPPED PAYMENT.

The Treasurer and Supervisors Enjoined from Paying Reilly's Attorney Fees.

The quite celebrated case of James Reilly vs. the County of Cochise for legal services rendered the county came to a head last night when District Attorney G. W. Swan filed a suit in the district court enjoining the supervisors from drawing any warrants in favor of James Reilly, or the treasurer from cashing them in case they are drawn.

The amount objected to is \$370, which was allowed the defendant late yesterday afternoon.

The court commissioner issued the injunction, and the papers were served on Mr. Vickers last night, and on the supervisors this morning.

The complaint denies that defendant is entitled to any compensation whatever for his services, which he volunteered without any request from the board of supervisors or the district attorney.

The question of making the injunction perpetual will come before the district court at its next meeting.

From statements in the Denver Mining Record it is evident that Arizona will be in the mining swim this year. A number of eastern syndicates have turned their attention to securing property in the territory, and have sufficient cash to get anything they want. Several experts have passed through Denver recently to examine the mining properties down here, and, as reports indicate, they have not been idle in tying up a number of good mines.

CHURCH AND CLERGY.

POPE LEO XIII. has just completed a book reviewing his pontificate. It is said that Protestant Christianity is growing in India as fast as it is in this country.

OVER Mr. Gladstone's bedstead is hung the motto: "Christian, Remember What Thou Hast to Do."

It is estimated that there are over three million people in London who never enter a place of worship.

The largest Sunday school library in the world is in Washington, D. C., the property of the Assembly Presbyterian church.

REV. WILLIAM MAY, of Perryville, Ky., has preached the gospel for sixty years and has never accepted a dollar for his services.

It is said that when Tennyson was asked what his highest aim was he replied: "My supreme wish is to get a clearer vision of God."

MR. MOODY receives a royalty of twenty per cent. from the publishers of "Gospel Hymns," and since the first publication of the collection this royalty amounts to one million two hundred and fifty thousand dollars.

MISS FANNIE EDWARDS, the girl evangelist of Louisville, Ky., is reported to have saved one thousand souls in Ohio and Indiana. She is eighteen years of age, and lets her long hair hang down over her shoulders.

REV. WATSON T. MOSTER, of Brooklyn, who has been pastor of the Grace Baptist church for the last year, receives no regular salary, only asking pay when he needs money. His ecclesiastical brethren do not approve of his method.

PEOPLE WHO WRITE.

J. M. BARRE, the novelist, is reported seriously ill from lung trouble in London.

COURT TOLSTOI is writing a "cosmopolitan drama" which he says is to be the last of his works.

ENGLISH critics are finding fault with Mr. Gladstone's translation of Horace. They say that Gladstone's Horace is very stiff and very pedantic.

ROSA YOUNG, a direct descendant of one of the Pitcairn mutineers and a woman of more than usual intelligence, is writing a history of the Pitcairn colony.

MRS. JULIA WARD HOWE celebrated her seventy-fifth anniversary recently. She is at this ripe age in the full possession of her faculties, and is rejoicing in a beautiful and vigorous old age.

## Pure Blood

It is absolutely necessary in order to have perfect health. Hood's Sarsaparilla is the great blood purifier, quickly conquering scrofula, salt rheum, and all other inroads of disease which attack the blood and undermine the health. It also builds up the whole system, cures dizziness and sick headache, and overcomes that tired feeling.

Scrofula Sores.

"My adopted boy, aged 14 years, suffered terribly from scrofula sores on his leg, which spread all over his body, and he was nearly blind from the pain. He was treated by all the best doctors, but nothing did him any good. He was then taken to the hospital, and there he was cured by Hood's Sarsaparilla. He is now perfectly healthy and strong."

Can Walk as Well as Ever.

Hood's Sarsaparilla is the best medicine I ever saw for scrofula sores. It has done its work more than satisfactorily." WILLIAM SANDERS, Rockdale, Millam County, Texas.
